

So You Want a **Green** County Councillor...

Look no further!

John Cordwell

- A founder member (ca 1970) of the Bristol Branch of the Conservation Society and for some years a member of its National Council and its Hon. Regional Secretary for the South West, lobbying on unsustainable population growth, the finite nature of the planet's resources and protection of the environment.
- As a County Councillor he has concentrated on environmental issues, and chaired the council's committee on this for many years.
- Chairman of the Gloucestershire Sustainable Energy Forum.
- A Life Member of the Campaign to Protect Rural England (CPRE).
- Vice-President, Wotton-under-Edge Civic Society, (having previously served as its Hon Secretary and Chairman.) campaigning on the protection of our green fields and historic buildings.
- Instrumental in setting up an Energy Neighbourhood Group in Wotton, and obtaining financial support from Wotton Town Council.
- A member of the South West Region's Climate Change Task Group.
- A member of the Severn Estuary Partnership.
- Promotes sustainable transport not only locally but also on the South West Regional Assembly Regional Transport Board, and in Europe.

..... and more besides.
